Introduction

This book contains all the most important words that you need to know to successfully complete speaking and writing/essay parts of CAE test.

This material is perfect for any serious candidate who does not wish to waste time researching and learning new vocabulary the traditional way. This book will make your learning more efficient with less of your own effort, which means more spare time to review other concepts.

We tried not to create just a regular dictionary with a bunch of words, but chose only the most necessary definitions from the examination materials. Knowing these words will definitely surprise your examiner, in a good way.

Abet

Assist or encourage, usually in some wrongdoing (for example: She was not guilty of murder but was guilty of abetting others).

Abnegation

The denial and rejection of a doctrine or belief; the act of not allowing yourself to have something, especially something you like or want.

Abstruse

Difficult to understand, especially when you think it could be explained more simply.

Abysmal

Extremely bad or low in quality (for example: The quality of his work is abysmal).

Accede

Yield to another's wish or opinion; to agree to do what people have asked you to do (for example: The government acceded to their demands).

Acquisition

Means the process of getting or obtaining something (for example: The children progressed in the acquisition of basic skills).
