Daar was laatst een meisje loos

2. Zij moest klimmen in de mast,
maken de zeilen, maken de zeilen.
Zij moest klimmen in de mast,
maken de zeilen met touwtjes vast.

3. Maar door storm en regenweer
sloegen de zeilen, sloegen de zeilen.
Maar door storm en regenweer
sloegen de zeilen van boven neer.

4. Och kapiteintje sla me niet,
ik ben uw liefje, ik ben uw liefje.
Och kapiteintje sla me niet,
ik ben uw liefje zoals u ziet.

5. Zij moest komen in de kajuit,
kreeg een pak rammel,
kreeg een pak rammel.
Zij moest komen in de kajuit,
kreeg een pak rammel
en toen was het uit.
