We sit here strangers in front of each other  
We know each other  
Glass after glass  
Until the Bernardus goes to our heads  
You can't draw a straight line!  
She's English  
Forgive her  
Order another one at the counter  
She puts on her hat  
I feel as if I'm in purgatory and an Angel  
Got lost here  
And tomorrow I'll have a hangover  
Because she will no longer be a part  
Of my life anymore  
As she flies back to London  
Paradise Lost  
Hope to see you soon
