

The illustration features a pink background. In the foreground, a snake with a segmented body in various colors (orange, yellow, red, green, blue, purple) is coiled. Behind it are several stylized trees with orange trunks and large, rounded orange canopies dotted with blue spots. A speech bubble originates from the snake's head.

'Vogel, ben jij dat
in die groene boom?'

'Vogel, ben jij dat
achter de bosjes?'

'Vogel,
acht'

**'Nee, Elmer.
Ik ben het,
Roosje.'**

'Hallo, Roosje.
Wie kietelt me dan
achter mijn oor?'
